1 person has recommended Ewa

"Having had been assigned duty in the Media Center for several years now, I see Ewa work tirelessly in the Media Center. Not only does she excel in the requisite cataloging, inventory, and ordering of new texts, but she thrives on finding new ways to make the library appealing and functional to students and staff. The space has grown more visually-appealing and intuitive to navigate because of Ewa. With a soft-spoken and generous spirit, she is always willing to make a recommendation, help someone find a text, or to expand our collection."
