## **ACADEMIES**

**Business Academy** - The Academy of Business and International Studies seeks to build an educated, competent, competitive, and inspired workforce to meet the needs of the 21st century. The academy will focus on post-secondary opportunities that feature business and international studies applications. The Academy of Business and International Studies provides experiences in a number of college and career paths via the various programs held throughout the year.

**Freshman Academy** - The purpose of Freshman Academy is to help freshman students transition from the middle school to LHS by providing academic and extracurricular support.

**Sophomore Academy** - The purpose of the Sophomore Academy is to provide activities, such as the Service Project and Career Day, that help students plan for life beyond high school.

**STEM** - The STEM Academy serves as a meeting platform for students who'd like to explore Science, Technology, Engineering, and Mathematics from a career perspective. Networking events with professionals currently working in a STEM field occur annually. In addition, the academy offers seminars in topics that are not currently covered by the school curriculum in order to broaden our constituent's STEM knowledge base. The Academy meets two Wednesdays per month at 2:45 p.m. in Room 105 with Ms. Andahazy.

**Arts & Humanities** - The Arts & Humanities Academy celebrates diversity and explores all types of different jobs including STEM and BUSINESS. We meet once a week after school and have a full leadership committee that will help the advisor set up and help with different functions in the school including Arts Fest and the Black History Celebration. If you have any questions please see Mr. Wolf in Room 230.

## **NATIONAL HONOR SOCIETY**

**Advisor:** Ms. Brunner & Ms. Haughey

**Full Chapter Meeting Dates:** Monthly

**Officer Meeting Dates:** Weekly

**Meeting Location:** TBA

The National Honor Society of Secondary Schools (NHS) is an honorary organization. The purpose of this organization is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools.

The NHS is under the sponsorship and supervision of the National Association of Secondary School Principals (NASSP). Membership in local chapters is an honor bestowed upon a student. Eligible students must meet the criteria specified in the student handbook. Selection for membership is by a Faculty Council and is based on outstanding scholarship, character, leadership, and service in accordance with the National guidelines. Members have the responsibility to continue to demonstrate these qualities and participate in the chapter activities according to the requirements established by the Lawrence Chapter. NHS sponsors a charity fundraiser and members participate in peer tutoring. Induction for new members is held annually in April.

## **STUDENT COUNCIL**

**Advisor: Doreen Welsh**

**Meeting Dates: To be announced**

**Meeting Location: either via zoom or the Guidance Career Center**

Student Council welcomes all interested students and offers them the opportunity to become involved in social functions and community projects throughout the entire school year. Homecoming is the biggest event of the year and funding from this event is used to finance school projects and student scholarships for graduating seniors. Student Council trains students in the duties and responsibilities of good citizenship, using the school environment as the primary training ground.

---

## **STUDENT LEADERSHIP**

**Advisors: Rebecca Burdick, Kristin Hoch, Dawn Recentio, Nicole Einhorn**

**Meeting Dates: One Tuesday per Month, 7:00-8:30 p.m.**

**Meeting Location: Library**

Juniors and seniors are selected to be Student Leaders through a competitive application and interview process. Student leaders help freshmen with their orientation and transition to the high school. Student Leaders design and implement the summer orientation program. During the school year, they meet with small groups of freshmen in Freshman Seminar to do team building activities and discuss issues that come up for adolescents. Student leaders are required to attend one monthly night meeting to plan and discuss freshman transition and Freshman Seminar, school climate projects, service learning and other leadership activities. Student Leaders are also required to speak at Board of Education meetings, and generally act as ambassadors to the school, school district and community.

---

## **STUDENTS AGAINST VIOLATING THE EARTH (S.A.V.E.)**

**Advisor: Debbie Randall**

**Meeting Dates: To Be Determined – See advisor for details**

**Meeting Location: Room 112**

S.A.V.E. focuses on local and global environmental issues. We select areas that we feel we can make a difference with helping our natural world. One of the ideas we are committed to, is promoting the education of the school and our community of the importance of using less plastic. The members of S.A.V.E. raise money and collect supplies to donate to various wildlife and environmental organizations. In the LHS community, we care for the LHS pond area, filling bird feeders and bird baths and providing maintenance as needed. We hope to spread the word of “reduce, reuse and recycle” and educate others about endangered and threatened species as we do what we can to protect our local outdoor spaces.

---

## **STUDENTS FOR SOCIAL ACTIVISM (SSA)**

**Advisor: Jametta Clarke**

**Meeting Dates: Every other Wednesday of the month, 2:45-3:45pm**

**Meeting Location: TBD**

The Students for Social Activism club is a student-led organization that provides a safe space for students to engage and share their thoughts regarding controversial topics, such as race relations, climate change, pandemic, immigration, human rights, civil rights, and more. SSA gives students the opportunity to explore their opinions and learn to share them in a respectful manner, while finding common ground and ways to work through their differences. Through education and collaboration with other clubs, organizations, and charities, SSA seeks to magnify student voices and encourage social action within the school and surrounding community. SSA is open to all students, regardless of race, creed, color, religious affiliation, or sexual orientation

---

## **STUDENTS HELPING HONDURAS (SHH)**

**Advisor: Alyssa Katz**

**Meeting Dates: To be determined – See advisor for details**

**Meeting Location: Room 201**

SHH is an international non-profit organization that aims to alleviate extreme poverty and violence in Honduras through education and youth empowerment. Student volunteers raise money throughout the year to build schools, transitional homes, children's homes, and other structures that help serve the children of Honduras. The goal is to build 1000 schools so that every child in Honduras has access to an education. The main focus of the Lawrence High School Chapter of SHH is fundraising for school construction projects in Honduras and raising awareness in our local community. Students may also have the opportunity to travel with SHH during summer break as volunteers, building schools, practicing Spanish, and getting to know the people they are working with in Honduras.

---

## **TANGENTS**

**Advisor: Cameron Foster**

**Meeting Dates: Wednesdays after school 2:45-3:45 p.m.**

**Meeting Location: Room 132**

Tangents is the literary and arts club and magazine of Lawrence High School. Student members share their creative work, exchange constructive criticism, and engage in intellectual discussions. Its aim is to allow students to express themselves creatively and to interact with other writers and artists. Students share poetry, fiction, drawings, short stories, and photography, to name a few. The culminating project is the publication of our own Tangents magazine, which is written, edited, and designed by students.

## **THEATER COMPANY**

**Advisor: Lorie Baldwin**

**Meeting Dates: Play Rehearsal - Monday-Friday, 2:50-4:30 p.m. during the early rehearsals. Rehearsal schedule are posted at [lhstheatercompany.weebly.com](http://lhstheatercompany.weebly.com)**

**Meeting Location: Auditorium & Black Box Theater**

The Theater Company provides students with theater experience both on and off stage through producing "Theater Sports Night" (improvisational comedy), a fall drama, and a spring musical. Students will gain experience in acting, stage management, stage makeup and prop and costume managing. Opportunities will also be provided to see and talk with professionals in the theater community through a trip to New York City and a theater competition at West Chester University. Continued work with our theater company earns students membership into the International Thespian Society, an honor society for demonstrating excellence in the high school theater program.

---

## **TRI-M MUSIC HONORS SOCIETY (MODERN MUSIC MASTERS)**

**Advisor: Mandy Johnson**

**Meeting Dates: After School – See advisors for details**

**Meeting Location: Room 403**

Tri-M is the only national honors society for student musicians in the country. The honors society opens up a world of opportunities for students who have already shown themselves to be academically capable and musically gifted. Through performance and community service, students develop confidence, creativity, critical thinking, compassion, and a host of other leadership skills sure to serve them well in school and beyond. Students accrue points through performance and service that goes beyond the scope of the classroom, and are recognized and celebrated for those efforts at the end of the year.
