

MINI MEDICAL SCHOOL II Spring SEMESTER 2013

Attention Lawrence High School students! RWJ University Hospital Hamilton (RWJ Hamilton) is offering Mini-Medical School II for students and community members. The focus of the Spring 2013 Semester is Women's Health and will be taught by some of the leading Robert Wood Johnson Doctors and Medical Practitioners in this region. This is a program that RWJ Hamilton offers through its Community Education Department and is open to anyone interested in attending. The Science & Technology Career Academy is excited to make LHS students aware of this unique community program!

While this is a follow up to Mini Med I in the Fall, enrollment in this program as a first offering is encouraged.

Students interested in attending the program must register in advance to participate using the registration link below. Lawrence High School's Science & Technology Career Academy Teacher Leader, Mr. Matt Davis, will coordinate registration with RWJ Hamilton for LHS students. Email Mr. Davis with questions. mdavis@ltps.org

There is a registration fee (\$40.00) for the program, which must be paid by the student. RWJ has scholarship opportunities available for select recipients that will be determined by economic need. Transportation is not provided. **Checks should be made payable to: RWJ Hamilton. Submit checks to Ms. Stanger in the LHS Guidance Office.**

All registrations and checks must be submitted by February 11, 2013 as there are space limitations.

Registration Link: [Click Here](#) or copy and paste link below
